Banasch's is located at 603 Brooklyn Avenue, Suite B, Milford, Ohio 45150. We have been in business since 1910 providing quality products with competitive prices. We strive to be your single source sewing supply and sewing equipment vendor.

We proudly staff knowledgeable people with many years of product knowledge and know how in the garment industry. Please don't hesitate to contact us with any questions on supplies or equipment.

How to place an order:
Our sales staff and customer service are available Monday thru Friday from 8:30am to 5:30pm EST.

We are always happy to take your order over the phone. We can accept your order also via mail, fax, e-mail, e-commerce from our website. Our website address is: www.banaschs.com

Please use our order form in our catalog to prepare your order before calling or sending it to us.

Our phone numbers are: 513-731-2040 or toll free 800-543-0355
Our fax phone numbers are: 513-731-2090 or toll free fax 866-417-2090

You can e-mail your order to: sales@banaschs.com

Please be sure to specify the sizes, colors, quantities, style numbers and name or description of item.
Please include your complete name, address, zip code, phone number and e-mail address so we can contact you if there are any questions on your order. If we have your complete information and e-mail address, we can also add you to our frequent sales promotions that we advertise electronically.

Pricing and Payment Options:
Be assured that our prices are fair and competitive for the highest quality and value.
Due to the fluctuations in market conditions beyond out control, prices are subject to change without notice.
We will always attempt to inform you of any price changes when you place and order.
All merchandise will always be shipped and invoiced at the lowest prevailing price.

We accept the following Credit Cards: Mastercard, Visa, Discover and American Express
You can also send a check or money order to us to prepay the order.
If unsure in regards to shipping charges, please call for the price. Sorry - NO COD's.

Shipping method:
All Packages are shipped U.P.S. and insured unless you want the order to be shipped collect on your UPS account number. Banasch's will pay the shipping charges on all orders over $100.00 that are PREPAID by cash, check, money order or credit card.

EXCEPTIONS - no free shipping offered on sewing machines, irons, equipment, hangers, chemicals, plastic, paper items, drapery crinoline or weights.

Returns:
Authorizations must be obtained from Banasch's, Inc. to return merchandise. All returned merchandise must be shipped prepaid, insured and in saleable condition. A restocking fee of 15% will be charged if shipment is due to customer error. Special order items or cut merchandise are not returnable.

Guarantee:
If you are not completely satisfied with any of our supplies, Banasch's will gladly issue a refund or credit when merchandise is returned within 30 days of purchase.

Our Goal:
Our goal is Customer Satisfaction. Please let us know if there is a problem with anything we sell.
We carry a huge inventory of products of which this catalog represents the majority.
Please feel free to inquire about any un-shown items.

Self-Contained Utility Press and Boiler

EZX-42 Manual Foot Operated Utility Press
Reimers RB-20 20kw Boiler
Rema RP@ DryVac Vacuum

Boiler Features

- Compact design allows the boiler to fit under the press table taking up very little space
- UL approved
- Comes standard with stainless steel panels
- Meets ASME SD-1 boiler requirements
- Pre-pipe design allows for easy installation and features two
- stainless steel flexible braided hoses for steam supply and return
- Vacuum breaker automatically drains condensate back to boiler
- Low water off switch with manual reset and high pressure water feed pump
- Pre-piped for addition of Steam-Electric Iron and Lowboy to press (optional)
- Adjustable pressure control and a manual reset hi-limit control
- Heavy-duty magnetic contactors
- Combination low water cut-off and water level controller
- Solenoid valve, strainer, pressure gauge, safety valve, blowdown valves, check outlet, stop valve, steam outlet valves
- Water gauge glass with protector
- High pressure feed water pumping system assembled and wired to boiler

Dryset Features

- UL approved
- Comes standard with stainless steel tank
- Compact design allows it ot fit under the press table, space saver
- Available in single or 3 phase
